

Earthen Oven & Rain Garden Terrace Workshop

Design and Build Earthen Ovens & Rain Garden Terraces with local materials – Bill & Athena Steen

Join Bill & Athena Steen from The Canelo Project (www.caneloproject.com) will lead a hands-on workshop on how to build wood-fire earthen ovens and beautifully sculpted agricultural terraces using local and natural materials and pigments. Written materials, lunches and snacks provided! Hosted by Gary Nabhan, Laurie Monti and Caleb Weaver.

Saturday & Sunday, June 9-10 from 9am-3pm

15 Emily Road, Patagonia, AZ – Above Native Seeds/SEARCH Farm
Park by pond before house
